This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. **COMMUNITY SERVICE AND SELF-SUFFICIENCY POLICY**

**A. Background**

The Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt (see definitions) public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self sufficiency and economic independence. This is a requirement of the Public Housing Lease.

Substance abuse or mental health counseling;

English proficiency or literacy (reading) classes;

Apprenticeships;

Budgeting and credit counseling;

Any kind of class that helps a person toward economic independence; and

Full time student status at any school, college or vocational school

**Exempt Adult** – an adult member of the family who

Is 62 years of age or older;

Has a disability that prevents him/her from being gainfully employed;

Is the caretaker of a disabled person;

Is working at least 30 hours per week; or

Is participating in welfare to work program.

**C. Requirements of the Program**

1. The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The Authority will make the determination of whether to allow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of the Authority.
4. Family Obligations

At lease execution or re-examination after February 1, 2000, all adult members (18 or older) of a public housing resident family must

1. Provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
2. Sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in nonrenewal of their lease.

At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by the Authority) of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.

If a family member is found to be noncompliant at re-examination, he/she and the Head of Household will sign an agreement with the Authority to make up the deficient hours over the next twelve (12) month period.

5. Change in exempt status:

If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to the Authority and provide documentation of such.

If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to the Authority. The Authority will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

**D. Authority Obligations**

1. To the greatest extent possible and practicable, the Authority will:

Provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (*According to the Quality Housing and work Responsibility Act, a disabled person who can otherwise be gainfully employed is not necessarily exempt for the Community Service Requirement*); and

Provide in-house opportunities for volunteer work or self-sufficiency programs.

2. The Authority will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
3. The Authority will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the Authority's Grievance Procedure if they disagree with the Authority's determination.

4. Noncompliance of family member:

At least thirty (30) days prior to the annual re-examination and/or lease expiration, the Authority will begin reviewing the exempt and non-exempt status and compliance of family members;

If the Authority finds a family member to be noncompliant, the Authority will enter into an agreement with the noncompliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period;

If, at the next annual re-examination, the family member is still not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;

The family may use the Authority's Grievance Procedure to protest the lease termination.
